TIRUNELVELI CITY MUNICIPAL CORPORATION

“Expression of Interest” for setting up Integrated and Scientific Solid Waste Management facilities at Ramayanpatti Dumping Yard

Scope of activities:

Tirunelveli City Municipal Corporation invites “**Expression of Interest**” from interested parties for setting up of Integrated and Scientific Solid Waste Management facility at Ramayanpatti dumping yard (around 80 acres), Tirunelveli. The facility has to be in accordance with all applicable laws and regulations including the Municipal Solid Waste management (Managements and Handling) Rules 2000. The facility is needed to have long term vision of garbage management, and no less than 20 years of actual plan. .

The scope of the work envisioned for the Tirunelveli Municipal Corporation Integrated and Scientific Solid Waste Management facility is as follows:

- i) Treatment and processing of Corporation solid waste around 130 M.T.
- ii) Disposal of the process remnants generated and inert materials in a scientific land fill
- iii) Scientific closure of the existing wastes at the site.
- iv) Development of landscape and parks with eco friendly and aesthetic, entertainments etc. at the remaining yard area.

Development of landscaped and gardening work at the yard.

For landscape with gardening work development necessary water supply may be obtained from the Sewerage Treatment plant with remittance of payment by the party.

Environmental Issues and formalities:

- 1) Approaching Pollution Control Board and Environmental Clearance Board for getting approval of this project.
- 2) Planting trees around the boundary wall

- 3) Control of pathogens, flies, rodents and nuisance
- 4) Control of suspended particulate matters
- 5) Control of Smoke & Fire.
- 6) Quality of ground water and its sources

Safety :
