Ref: Commissioner’s approval for calling of EOI on 01.10.2011

The meeting of the Expression of Interest Scrutiny Committee as conducted at the Commissioner’s Chamber on 14.10.2011 at 5.00 P.M. The following members were present.

EOI Ref.No. : H2 / 9456/2010

EOI Date : 14.10.2011

EOI System : Sealed cover system

No.of EOI received from : 3
Interested parties

The following members were present:

- 1) Dr.K.Ganesan, HOD and Professor, Civil Engineering Department, GCE, Tirunelveli 7
- 2) Thiru.Siddarthan, Assistant Professor Civil Engineering Department, GCE, Tirunelveli
- 3) Thiru.A.Alvin J.Anand, Assistant Environmental Engineer, Tamil Nadu Pollution Control Board, Tirunelveli
- 4) Thiru.K.P.Jai Xavier, City Engineer
- 5) Thiru.V.Narayanan Nair, Executive Engineer
- 6) Tmt.T.Sanathi, City Health Officer (I/c) and Assistant Executive Engineer, Tirunelveli.
- 7) Thiru.D.Arasakumar, Sanitary Inspector, Tirunelveli Zone
- 8) Thiru.A.Ramasamy, Junior Engineer (Main Office)

Discussion and Decisions taken:

“Expression of Interest” called for setting up Integrated and Scientific Solid Waste Management facilities at Ramayanpatti Dumping Yard, Tirunelveli.on 14.10.2011 and published in State level Two Tamil newspaper on 08.10.2011 with Corrigendum and in Website <http://tn.gov.in/cma> and <http://tirunelvelicorp.tn.gov.in>.

The following three interested parties submitted their EOI with sealed cover and the details are as given below:

- 1) M/s AAPL Infra (P) Ltd, Madurai
- 2) Sri S.Subbiah & Company, Madurai
- 3) AST Constructions, Andipatti, Theni District

The EOIs were opened in the presence of the interested parties and members of the Committee at Commissioner's chamber in the presence of Commissioner. All the above three interested parties remitted the EMD amount of Rs.5.00 lakhs as Demand Draft and enclosed with documents. After evaluation the eligibility criteria for the above EOI, **M/s AAPL Infra (P) Ltd, Madurai only was** satisfied with the submitted documents as detailed below:

Scope

- i) Treatment and processing of Corporation solid waste around 130 M.T. (Zone 3)
 - a) Flow chart for W2E Plant (recycle) Process with technologies adopted for processing, treatment and disposal of solid waste is given
 - b) Method of Production of Refuse Derived Fuel (RDF) or Pelletization is given
- ii) Disposal of the process remnants generated and inert materials in a scientific land fill (Zone 4)
- iii) Scientific closure of the existing wastes at the site (Zone 2)
- iv) Development of landscape and parks with eco friendly and aesthetic, entertainments etc. at the remaining yard area (Zone 1)

The above scope given in the DPR submitted by the **M/s AAPL Infra (P) Ltd, Madurai** has been satisfied and whereas the other two interested parties failed to submit their relevant documents as said in the eligibility criteria mentioned in the EOI.

Hence **M/s AAPL Infra (P) Ltd, Madurai** was allowed to proceed with the Power Point Presentation in the presence of all members regarding their proposal, its concept, technology, feasibility etc. During the Power Point Presentation the members interacted with the AAPL people and raised various queries and clarifications regarding the implementation of the project. The replies given by the M/s AAPL Infra (P) Ltd were satisfactory and their concept and technology of the project seems to be technically feasible and viable for implementation.

Hence after analyzing the all pros and cons of the presentation and EOI documents submitted, the Committee decides that of M/s AAPL Infra (P) Ltd, Madurai organization may be selected and short listed for further financial bid. The last date for submission of financial bid is 27.10.2011 upto 3.00 pm.
