The Civil Military Authorities have stated that the Corporations and Municipalities are maintaining the major open drains along the civil area adjacent / closer to defence residential accommodation. They have asked for strengthening the embankment of the drains, reconstruct the dilapidated drains and remove the blockages.

Further, they have requested to organize cleaning the drains at regular intervals and strengthening of the embankments so that the health and safety of the Armed Forces Personnel is not threatened.

Accordingly, the Secretary to Government in the reference cited, has requested the all District Collectors to ensure proper maintenance of open drainage near defense establishments including residential quarters.

Hence, all the Executive Authorities of the Corporations and Municipalities are directed to take action to maintain the all open drains periodically.

All the Regional Directors are also requested to take follow up action during their visit to the Urban Local Bodies.
