ORDER No.392, Finance (SALARIES) Department, dated 18th August 2009.

In the Government Orders first to sixth read above, norms for publishing tender notices in newspapers by Government Departments and Government Organisations have been prescribed.

2. At present, the notices inviting tenders are published in newspapers in accordance with the orders issued in the Government Order sixth read above. It is considered that the limits prescribed in the Government Order sixth read above, are outdated, as they have been prescribed ten years back when the cost of inputs and value of procurement was low. Hence, it is proposed that a new set of rules can be prescribed which will apply to the various tender inviting departments, Boards, Public Sector Undertakings and other organisations presently covered under the Tamil Nadu Transparency in Tenders Act,1998(Tamil Nadu Act 43 of 1998) and the Tamil Nadu Transparency in Tenders Rules,2000.

(c)	Above Rs.50 crores.	Advertisements in <i>Two English Dailies</i> , one being a <i>Business Daily</i> (All India edition) and <i>One Tamil Daily</i> (All editions in Tamil Nadu) and <i>Indian Trade Journal</i> .

The aforesaid norms will be subject to the following conditions:

- (a) In addition to the publication of the tender notices in newspapers, it shall also be published in the dedicated government website for tenders in accordance with rules already in force. All tender notices shall include the web address of this dedicated website, which at present is www.tenders.tn.gov.in.
- (b) When more than one tender is bunched in a tender notice, the highest value among the individual tenders should be considered to determine the applicable norm. The sum total of values of all individual tenders cannot be considered.
- (c) Tender Inviting Authorities, in their communication to the Director of Information and Public Relations(DIPR) for publishing the tender notice, should clearly specify the size of the required advertisement and the Director of Information and Public Relations(DIPR) should not place advertisements in excess of the required space. The maximum size of the advertisement of the tender notice shall be 50 sq.cm for all procurements up to Rs. 5 crores and shall be 100 sq.cm for all procurements above Rs.5 crores but up to Rs.50 crores. For procurements above Rs.50 crores, there shall be no size restriction, but tender inviting authorities may, as far as possible, restrict the same to 100 sq.cm.
- (d) Tender Inviting Authorities, in their communication to the Director of Information and Public Relations(DIPR) for publishing the tender notice, should clearly specify the estimated value of procurement. In the case of civil works, value as per the detailed estimate should be adopted. In the case of other procurements, the cost projected while obtaining the administrative sanction should be adopted. In rare cases, where this is not possible like routine procurement for ongoing schemes like noon-meals, Public Distribution System(PDS), etc, the per unit price obtained in the previous tender multiplied by the quantity sought to be procured can be taken as the basis of the estimated cost.
- (e) In the case of international competitive biddings, it would be open for the tender inviting authority to give additional advertisements in more number of newspapers.
- (f) In case of procurement under externally funded projects or other funded projects, if the norms insisted upon by the funding agency require publication in more number of newspapers or a bigger size for the tender notice, the same is permissible.
- (g) The aforesaid conditions will be in addition to all other mandatory conditions under the Tamil Nadu Transparency in Tenders Act,1998 (Tamil Nadu Act 43 of 1998) and the Tamil Nadu Transparency in Tenders Rules,2000.
- (h) The aforesaid conditions apply only for procurement of goods and services and shall not apply for advertisements like those regarding regular recruitment into government service, publicity for government programmes, etc.
- (i) The expression 'Construction' in this Government order will have the same meaning as the expression 'Construction' in Section 2(a) of the Tamil Nadu Transparency in Tenders Act, 1998 (Tamil Nadu Act 43 of 1998) and shall cover all civil works including maintenance or renovation of existing structures.

4. In the Government Order seventh read above, the limit of low value procurement as mentioned in *clause (d) of section 16 of the Tamil Nadu Transparency in Tenders Act, 1998(Tamil Nadu Act 43 of 1998)*, was fixed as "less than rupees five lakhs". As the prices of many of the procured items have increased in the past few years, and as the scale of procurement has increased, Government hereby revise the limits of low value procurement, as follows:

- (a) For construction -- Less than Rs.25 lakhs
- (b) All other categories of procurement inclusive of consultancies for construction --Less than Rs.10 lakhs

In addition, as per *sub-rule(1) of rule 11 of the Tamil Nadu Transparency in Tenders Rules,2000*, all procurements *above Rs.10 crores* which require publication in the Indian Trade Journal stands amended to the effect that publication in the Indian Trade Journal is required only *if the procurement value exceeds Rs.50 crores*.
