

**Registration of all Child Care Homes in TamilNadu as per
Juvenile Justice (Care and Protection of Children) Act 2000 as
Amended in 2006 – Status Report as on 31.10.2011.**

As per section 34(3) of Juvenile Justice (Care and Protection of Children) Act 2000 as Amended in 2006, “Without prejudice to anything contained in any other law for the time being in force, all institutions, whether State Government run or those run by Voluntary Organization for children in need of care and protection shall, within a period of six months from the date of commencement of the Juvenile Justice (Care and Protection of Children) Amended Act, 2006, be registered under this act in such manner as may be prescribed.”

Accordingly the Department of Social Welfare had issued instructions to all District Social Welfare Officers to make necessary arrangements in getting the children homes registered under this act. Moreover the District Collectors had issued paper release instructing all the NGOs who are running children homes to get their organizations registered under this act.

In co-ordination with Police Department, this Directorate had identified around 2054 homes (which comes under the purview of Social Welfare / Social Defence / Differently abled / HR&CE etc.)

On verification by the District Social Welfare Officers, it was found that, out of 2054 homes identified, only 1527 homes comes under the purview of the Directorate of Social Welfare. So far (as on 31.10.2011) 1422 number of NGOs has submitted their proposals for registration, out of which 561 NGOs have been given with 3 years registration while 832 numbers of institutions have been given with 6 months conditional registration. Around 134 proposals are under process.

So far 51 NGO run child care homes have been closed with the help of District Administration and Child Welfare Committee for not maintaining the prescribed minimum standards.
