Animal Husbandry, Dairying and Fisheries (MP.I) Department

G.O. (D) No.174

Dated: 02.06.2008.

Read:

- (1) From the Commissioner for Milk Production and Dairy Development letter No.23327/J1/2007, dated 24.11.2007.
- (2) From the Finance (BG.II) Department letter No.83463/BG.II/2008, dated 1.4.2008.

ORDER:

The Commissioner for Milk Production and Dairy Development has stated that the Clean Milk Production activities have been systematically and gradually introduced in societies, functioning in Tamilnadu. As a part of introduction of Clean Milk Production activities in Dairy Co-operative Societies, installation of bulk milk coolers with different capacities is considered necessary to improve the initial quality of milk. Out of 7700 Milk Producers Co-operative Societies functioning in the State of Tamilnadu, so far 300 Milk Producers Co-operative Societies have been selected and covered under Clean Milk activities and the milk procured from these Dairy Co-operative Societies are collected and instantly chilled with the use of bulk milk coolers.

2. The Commissioner for Milk Production and Dairy Development has therefore proposed to dispense with aluminium collection trays, funnel, filter units, measures and plastic sample bottles and to introduce the use of Stainless Steel material in place of aluminium in Milk Producers Co-operative Societies to bring down and arrest the bacterial growth and improve the initial quality of milk. The Stainless Steel materials like Stainless Steel collection trays, funnel, filter units, measures and sample bottles are kept in a Stainless Steel collection kit for clean milk production. The women members in General Societies and Women Milk Producers Co-operative Societies, which include Scheduled Caste / Scheduled Tribe members, will be benefited by this scheme. Thus Clean Milk Production will be implemented properly. The Commissioner for Milk Production and Dairy Development has requested to provide 150 Stainless Steel kits at the rate of Rs.6,000/- each to 150 Milk Producers Co-operative Societies. The total cost of 150 kits worksout to Rs.9.00 lakhs.

3. After careful examination, the Government accept the proposal of the Commissioner for Milk Production and Dairy Development and accordingly sanction a sum of Rs.9.00 lakhs (Rupees nine lakhs only) under Part-II Scheme for the year 2008-2009 to purchase 150 Stainless Steel kits at the rate of Rs.6,000/- each to 150 Milk Producers Co-operative Societies for Clean Milk Production.

4. The amount sanctioned in para 3 above shall be debited to the following head of account: -

2404.00 Dairy Development 001 Direction and Administration Schemes in the Eleventh Five Year Plan II State Plan JA Head Quarters Establishment – Dairy Development 09 Grants in Aid – 03 Grants for Specific Schemes (DPC 2404-00-001 JA 0936)

5. The Commissioner for Milk Production and Dairy Development is authorized to draw and disburse the amount sanctioned in para 3 above to the Managing Director, Tamil Nadu Co-operative Milk Producers' Federation Limited for this purpose. The Commissioner for Milk Production and Dairy Development and the Managing Director, Tamil Nadu Co-operative Milk Producers' Federation Limited are requested to follow the tender procedure laid down in the Tamil Nadu Tender Transparency Rules, 2000. They are also requested to furnish the progress report in the implementation of the project to Government every month.

6. This order issue with the concurrence of Finance Department vide its U.O. No.28530/AH&F/2008, dated 14.05.2008.

(By order of the Governor)
