

Letter No 20030/Tele.I/2003-2
Public (Telephones-I) Department
Secretariat Chennai-9
Dated : 13.05.2003

From
Thiru.T. Pitchandi, I.A.S.,
Secretary to Government.

To
All the District Collectors,
All Heads of Departments,

Sir

Sub: Telephones – Barring of Level 95 facility to direct line telephones
in Government offices - Regarding.

I am directed to state that BSNL, has extended Level 95 facility to the telephones in the State, Consequent on this, calls can be made from the direct line telephones without STD facility to any other telephone in the State. If it is left unchecked, the expenditure on telephone will increase manifold, as the rates are more or less same as that of 'STD calls, It has therefore been decided to bar 95 Level facility from the direct line telephones so as to avoid misuse of this facility in the telephones provided in Government offices.

2. I am therefore, to request you to address the concerned authorities of the BSNL., Tamil Nadu Telecom Circle in your District immediately to bar Level 95 facility available in the direct line telephones of the Collectorate as well as in all the other Subordinate/Second level offices of the Heads of Departments functioning in your District which do not have STD Facility under intimation to Government. You are also requested to issue strict instructions to your officers who have telephones with STD facility to be cautious to avoid misuse of the Level 95 facility available in those telephones. In case you feel that this facility (Level 95) is not required in STD telephones, you may address the telephone authorities concerned to bar this facility (Level 95) immediately.

3. An action taken report in this matter may be sent to the Government.

Yours faithfully,
Sd/xxx---
for Secretary to Government

Copy to :-
