

TOURISM AND CULTURE DEPARTMENT

TOURISM

POLICY NOTE - 2009-2010

Demand No. 29

Tourism plays a pivotal role in socio-economic development. It fosters international understanding as a part of "Global Village Concept". Tourists want a holistic experience. Visit to historical monuments, museums and exposure to culture makes this possible. Activities like entertainment, sports, dance, music, festivals, adventure, cuisine, education, health and business enhance their experience. With the advancement of transport, communication and improvement in general economic well-being, the demand for tourism has increased concomitantly.

1 Tourism – Definition

1.1 **Tourism** is travel for recreational or leisure purposes. The World Tourism Organisation defines **tourists** as people who "travel to and stay in places outside their usual environment for not more than one consecutive year for leisure, business and other purposes not related to the exercise of an activity remunerated from within the place visited". Tourism has become a popular global leisure activity.*

1.2 Tourism is vital for many countries and many island nations due to the large intake of money for businesses with their goods and services and the opportunity for employment in the service industries associated with tourism. These service industries include transportation services such as cruise ships and taxis, accommodation such as hotels and entertainment venues, and other hospitality industry services such as resorts.*

1.3 One of the sectors of economy considered to have particular potential is Tourism. Tourism is seen to be a priority sector because:-

- it is able to maximise the productivity of India's natural, human, cultural, and technical resources, and are sustainable development;
- it is labour intensive and cottage or small industry based, providing employment that is of a high quality thus contributing to higher quality of life;
- it is capable of being primarily focused on rural areas with appropriate and relatively low cost programmes;
- it has extensive forward and backward economic linkages that build overall income, employment (especially for women, youth, and disabled persons bringing greater social equity, and justice), investment, and raises central, state, and local Government revenue;

** National Tourism Policy 2002 of Ministry of Tourism, GOI

- it is able to deliver significant levels of hard currency as an export industry, and
- it is able to promote understanding, peace, and contribute to national unity and regional stability.**

2 Tourism - An Overview

2.1 Tourist expenditure generates multiple effects with extensive outreach along its value chain. Adding to the demand for a variety of goods and services, tourism offers potential to exploit synergies across a large number of sectors such as agriculture, horticulture, poultry, handicrafts, transport, construction – the sectors, where growth of income has favourable impact on poverty alleviation.***

2.2 Tourism enhances the performance of the tourism sector in an environmentally and culturally sustainable and socially inclusive manner. This would be reflected in:

- increase in the duration of stay,
- distribution of income and benefits from tourism and
- enhancement of management of natural and cultural heritage sites.

It results in:

- integrated development of high-priority tourism infrastructure in high potential tourism circuits,

***Ministry of Tourism Annual Report 2007-08

- enhanced connectivity and improved environment, utilities, and tourist services,
- improvement of institutional and regulatory frameworks that will ensure coordinated efforts of multiple agencies,
- promotion of environmentally and culturally sustainable and socially inclusive tourism development,
- encouragement of private sector and community participation in tourism, and
- capacity building and human resources development for sustainable tourism and destination management through employment generation, poverty alleviation, environmental regeneration, advancement of women and disadvantaged groups.****

3 Scenario in Tamil Nadu

3.1 Tamil Nadu is a State with several distinguished tourism genre. It has cerulean mountains, verdant vegetations, sandy beaches, mammoth monuments, timeless temples, fabulous wildlife, scintillating sculptures and reverberating rural life. It has picturesque spots, continuing heritage, cultural confluence and aesthetic magnificence.

7.2 Tourist Arrivals to Tamil Nadu

7.2.1 Aggressive promotion and marketing campaigns through print and electronic media at the domestic, national and international levels and creation and upgradation of basic amenities and infrastructure at tourist spots have resulted in the increase of tourist arrivals to Tamil Nadu as furnished below:

Year	Domestic	Foreign	Total	Growth Rate per cent
	(in lakh)			
2005	323.39	11.79	335.18	7.7
2006	392.14	13.35	405.49	21.0
2007	506.47	17.53	524.00	29.2
2008	626.18	20.40	646.58	23.4

7.2.2 In the year 2007, 524.00 lakh tourists visited Tamil Nadu. During the year 2008, the tourists arrival was 646.58 lakh. When compared the tourists arrival for the above two years, it has recorded an increase of 122.58 lakhs in the year 2008.

7.3 The length of stay of an average tourist in Tamil Nadu is four to five days in the case of a domestic tourist and seven days in the case of a foreign tourist. A foreign tourist spends Rs.4,396/- per day and a domestic tourist, Rs.1,422/-. A day-visitor spends Rs.540/- per day. Among the foreign tourists, 23 per cent stay in Star Hotels, 44 per cent in Budget Hotels and 13 per cent in Guest and Rest Houses. The corresponding percentages for domestic tourists are 10, 49 and 14 respectively.

8 Future Strategy for Tourism Development

8.1 Tourism is one sector that has shown consistently high global growth in recent years. Tamil Nadu too achieved spectacular success in tourism with a growth rate that surpassed the national average. As in the case of foreign tourist arrivals, Tamil Nadu's share in National Tourism receipts is increasing consistently. Domestic tourists in Tamil Nadu constitute a large number and their number is growing rapidly. Considering the benefits, Tamil Nadu Tourism is continuing with a multi-pronged development strategy with a view to achieving even higher growth of quality tourism in the near future. Tamil Nadu Tourism aims to increase the flow of tourists and also to increase the numbers of days they spend. It is expected that the tourist flow of this magnitude will lead to additional foreign exchange and additional jobs.

8.2 Tamil Nadu Tourism has been focusing in the following areas in promoting and developing tourism:

1. Identifying and tapping new tourism potential
2. Providing infrastructure and basic amenities
3. Regulating the tourists according to the carrying capacity
4. Attracting more tourists utilising all media vehicles and
5. Providing new tourism products to ensure memorable experience

8.3 Sustained efforts to popularise Lesser Known Tourist Spots

The Government has identified several lesser known tourist destinations which are naturally rich tourism potential sites or heritage and pilgrim centres unknown to tourists. They require adequate publicity and excellent infrastructure. To attract entrepreneurs to invest in setting up Star hotels, amusement parks, golf courses, spas, boat houses, etc. by sustaining the incentives like:

8.3.1 One Time Subsidy for Construction of Hotels:

	Grade	Subsidy
1.	Single star	10per cent of the total project cost (excluding land value) or a maximum of Rs.25 lakhs
2.	Two star	10per cent of the total project cost (excluding land value) or a maximum of Rs.50 lakhs
3.	Three-star and above	10per cent of the total project cost (excluding land value) or a maximum of Rs.100 lakhs

8.3.2) One Time Subsidy for other Tourism Projects

Amusement parks, golf course Rope car, boathouses	10per cent of the total project cost (excluding land value) or a maximum of Rs.100 lakhs
---	--

8.3.3) Soft Loan

To pay VAT, a soft loan at the rate of 0.1 per cent per annum for the first five years will be sanctioned.

8.3.4) Converting Heritage Buildings into Heritage Hotels:

Tamil Nadu Tourism is taking many promotional efforts to increase tourist arrivals. The Government has announced a subsidy of 10 per cent on conversion cost to convert Heritage buildings into Heritage hotels.

8.3.5) Subsidy for Heritage Hotels

a) Heritage: The building should have been constructed prior to 1950. It should have a minimum of 5 rooms (10 beds).

b) Heritage Classic: It should have been constructed prior to 1935. The hotel should have a minimum of 15 rooms (30 beds).

c) Cuisine: The hotel should offer traditional cuisine but should have four to five items which have close approximation to continental cuisine.

8.4 Wonders of Tamil Nadu

Tamil Nadu has a number of tourism wonders which attract tourists from India and abroad. To develop the tourism wonders, Tamil Nadu Tourism has been initiating identification of the places for the sustained development for the benefit of the tourists. Tamil Nadu Tourism has been planning and promoting tourism spots under various categories.

- UNESCO declared monuments - Mamallapuram, living Chola Temples at Thanjavur, Gangaikonda Chozhapuram and Darasuram as well as Nilgiris Mountain Rail

8.7 Human Resources Development

Guide Training Programme

A large number of tourists visit Tamil Nadu throughout the year to see and enjoy the temples, beautiful beaches, wildlife sanctuaries, fascinating falls, hill stations, etc.

Guides play an important role in tourism promotion. They are responsible for projecting the right image of the country, giving factual information, caring for the safety of the tourists and ensuring their pleasant stay.

Tamil Nadu Tourism in co-ordination with the Anna Institute of Management, Chennai, has been conducting Guide Training Programmes for the unemployed youth and retired Govt. officials. The Rural Development Department has sanctioned Rs.22.10 lakhs for giving Guide training to 400 candidates. The period of training is 10 days, apart from a three day field visit.

At the first instance during 2008-2009, 133 persons were given Guide training. The Guide training was also given to 14 retired Government officials and orientation training has been given to 64 persons, who are already trained. Guide Identity cards have also been given.

Tourism being essentially hospitality oriented industry, it becomes necessary to inject professionalism in various fields like reception, house keeping, interior decoration and catering. Tamil Nadu has two Government Catering Institutes.

The State Institute of Hotel Management and Catering technology, Thuvakkudi, Tiruchirapalli, (approved by AICTE and affiliated to Directorate of Technical Education, Govt. of Tamil Nadu) offers a three year Diploma Course in Hotel Management and Catering Technology and one year Certificate Course in Food Production, Food and Beverage Service, Housekeeping, Bakery and Confectionery. Located in a sprawling campus spread over 26 acres, the institute has 600 students enrolled.

The Institute of Hotel Management Catering Technology and Applied Nutrition, Tharamani, Chennai, is one of the premier institutes in India imparting training in three year Diploma Courses in Hotel Management, Catering Technology and also various craft Certificate Courses. It has been providing high quality courses in Hospitality, Hotel Administration and Catering Technology for over 44 years and has excellent links in the industry. The Institute has about 600 students undergoing training in the various courses.

8.8 Capacity Building Training

For effective and efficient Tourism promotion, Tamil Nadu Tourism has been imparting capacity building training programmes. The training would be imparted in the following categories:

- Local community in Rural Tourism sites
- Front Office staff in Corporate Hotels
- Drivers of taxies and Auto-rickshaws
- Personnel handling tourists at Airports and Railway Stations

8.9 Industry Institution Relations

To enthuse the youth to pursue their career in tourism, Tamil Nadu Tourism has been encouraging them by sharing the information and other requirements related to their studies.

Industry training has also been organised for them. Senior Officers are deputed to the Institutions to enlighten the tourism students.

8.10 Coordination with Professional bodies and Trade Associations

Tamil Nadu Tourism has been actively coordinating with Professional bodies like Public Relations Society of India (Chennai Chapter) and also Trade Associations like SIHRA, IATO and TAAI in Tourism Promotion.

9 Development of Tourism Infrastructure

9.1 Infrastructure Development holds the key to Tamil Nadu's growth in the tourism sector. Identification and development of tourist destinations and circuits will continue to remain the central plank of tourism development strategy in the State. Tamil Nadu Tourism has identified mega destinations and major circuits of tourism importance and already sanctioned projects for Tharangampadi, Mamallapuram, Kolli Hills, Sripuram-Ariyur area, Amirithi Forests-Balamathi Hills, Courtallam and Tiruchendur.

9.2 The Department's support to such infrastructure projects takes two forms; financial assistance from the Ministry of Tourism, Government of India and financial sanctions from the Government of Tamil Nadu.

9.3 Tourism development has been given much emphasis and the Governments both at the Centre and the State have been extending sufficient funds for the development of infrastructure and destination development. The concept destination development was conceived by the Ministry of Tourism, Government of India a few years ago and sustained developments have been taken up in important tourist centres in a phased manner.

9.4 Government of India Assisted Projects

During 2007-2008, a sum of Rs.2,748.916 lakhs was received for the following projects, which is maximum among the SOUTHERN AND WESTERN STATES. During 2008-09, Ministry of Tourism, Government of India sanctioned the following projects to Tamil Nadu for tourism promotion.

11 New Tourism Products

11.1 Responsible Tourism

Tamil Nadu Tourism has been taking ceaseless efforts for the promotion of rural areas as we have the responsibility to showcase our villages, its way of life to tourists especially to the younger generations. This strategy turns rural areas tourist friendly and it develops the socio economic status of the local inhabitants. The aim of Responsible Tourism is to inculcate the responsibility of the local populace (hosts) towards fragile eco-system, best practices and caring the guests and also make the visiting tourists more responsive towards culture, conventions and customs to avoid exploitation.

11.2 Eco-Tourism

Some of the tourists evince keen interest in nature. There is abundant natural wealth in Tamil Nadu viz. hill stations, waterfalls, forests, bird sanctuaries, beaches, etc. A separate Eco-Tourism Wing is being set up by Tamil Nadu Tourism by posting an officer from the Forest Department. The vision is to make Tamil Nadu a world renowned destination specialising in sustainable tourism through focused efforts on creating synergy among all stakeholders, encouraging capacity building and public-private partnerships with revenue generating strategies.

11.3 Rural Tourism

11.3.1 To showcase rural life, art, culture and heritage of rural locations in villages and to benefit the local community economically and socially as well as to enable

interaction between tourists and local population for a mutually enriching experience, the Tamil Nadu Tourism has decided to develop and promote rural tourism.

11.3.2 The rapid industrialization has forced the people to move out of villages. As a result, people especially children do not know what constitutes a village. The parents are keen to show their children the idyllic surroundings of our native villages. The way of life of the inhabitants is an important tourist product which attracts a large number of tourists.

11.3.3 The Ministry of Tourism, Government of India has partnered with the UNDP for Endogenous Rural Tourism as pilot projects for capacity building. Within prescribed limits, the hardware projects are funded by the Ministry of Tourism, Government of India and the funds for capacity building are provided by the UNDP through Ministry of Tourism, Government of India. The software component was implemented with the involvement of an NGO identified by the UNDP in co-ordination with the District Collector and the local community. The GOI also extends the scheme of Capacity Building for Service Providers (CBSP) to other rural sites beyond those covered under partnership with the UNDP. A list of schemes sanctioned by the Ministry of Tourism, GOI is given in the statement below:

S.No.	Name of the project	Amount sanctioned by MOT, GOI (Rs. in lakhs)
1.	Development of Kazhugumalai, Thoothukudi Dist. Hardware project Software project	48.68 20.00
2.	Development of Chettinadu, Sivagangai Dist. Hardware project Software project	50.00 20.00
3.	Development of Theerthamalai, Dharmapuri Dist.	50.00

11.3.4 Tamil Nadu Tourism has identified Rural Tourism areas for development and they have been developed in a phased manner.

11.3.5 TTDC opened a rural design restaurant with rural cuisine in the food Carnival as well in the Trade Fair.

11.3.6 The concept of Rural Tourism was highlighted in the Trade Fair and rural life was depicted and it was a cynosure for the visitors to the Trade Fair, Chennai. It was adjudged as the outstanding stall by the jury.

11.3.7 In the Republic Day pageantry, Rural Tourism concept was the theme of Tamil Nadu Tourism, which won accolades and award.

11.4 Adventure Tourism

11.4.1 Adventure travel appears to have developed out of the broader, wider growth of traditional outdoor and wilderness recreation during the 20th century. Unlike other forms of recreation, adventure travel offers a unique opportunity in which participants become more experienced and pursue extended scales of "adventurous endeavours." Traditional forms of recreation usually involve elements of skill in a specific outdoor setting. It is this "setting" that provides the primary attraction in special interest travel. However, in adventure travel, it is the "activity" that attracts travellers as participants. This study argues that adventure travel is primarily associated with activities where the purpose of trip is to be engaged in experiences through participation rather than in sightseeing at traditional tourist attractions.

11.4.2 To define adventure travel, various components including activity, motivation, risk, performance, experience, and environment must be considered.

11.4.3 Tamil Nadu Tourism is promoting adventure tourism activities in all tourist spots. Adventure boats are available at Muttukadu and Mudaliarkuppam. Trekking equipments are given on hire to the tourists by Tamil Nadu Tourism. Apart from providing adventure sports activities, Tamil Nadu Tourism is also coordinating with Youth Hostels Association of India in conducting Trekking programme in the hilly region. Water scooters, Speed boats, Kayaks and Banana Boats in Mudaliarkuppam provide thrill to the youngsters. Variety of adventure sports have been introduced in island grounds with private participation. Paragliding in Yelagiri attracted tourists in large numbers. Parasailing is going to be introduced shortly in Mudaliarkuppam.

11.5 Medical Tourism

11.5.1 Tamil Nadu provides a very good health care to people from all over the world. Ultra-modern corporate hospitals, talented medical professionals, state-of-the-art medical facilities and a large number of Government hospitals have helped patients from various parts of the country and the world to come, convalesce and return with good health. The Department of Tourism has realised that it is essential to provide facilities for them to visit places of tourists' importance, so that they can recuperate and get rejuvenated to normalcy in a short period of time.

11.5.2 Further, the Department of Tourism in association with the hospitals has embarked on the mission of spreading the concept of Medical Tourism. This initiative will grow at an exponential rate and bring success to all players concerned by providing utmost satisfaction to the patients from diverse backgrounds. Considering the importance of Medical Tourism, a Medical Tourism Information Centre has been established in the Tamil Nadu Tourism Complex. Travel Desks in various hospitals were set up in Chennai and Madurai.

11.5.3 To oversee the entire process of treatment received by the medical tourists, both from upcountry and abroad, a Core committee has been formed, drawn from various leading medical organisations and the Directorate of Medical Education. The Committee is expected to advise the Tamil Nadu Tourism on day to day matters related to healthcare to tourists. With the help of non-governmental enterprise, MEDITOUR INDIA and the medical organisations, a comprehensive data base of all the leading hospitals in our State has been prepared uplinking their information through Tamil Nadu Tourism website, for the benefit of patients who wish to come to Tamil Nadu for treatment.

11.5.4 Capacity Building Workshops were conducted to CEOs and Front Office Managers of various Hospitals in Chennai, to sensitise them towards the rapidly growing phenomenon of Medical Tourism. To make their services tourist-friendly, many hospitals have opened “travel desks” at their Reception Counters. Keeping the aspirations and apprehensions of the foreign tourists in mind, Tamil Nadu Tourism issued guidelines to various hospitals to streamline the procedures and to make the process of diagnosis and treatment more expedient, cost-effective and transparent.

11.5.5 Tamil Nadu Tourism aims to gear up the leading hospitals in our State to attract medical tourists, which has financial, social, cultural and emotional potential and create an environment of optimal utilisation of the state-of-the-art facilities available in many of the hospitals of our state, thereby bringing Tamil Nadu to the forefront of Medical Tourism in our country.

11.5.6 The Core Committee held a series of meetings. The important decisions taken by the Core Committee are:

- Identified Hospitals for listing
- Co-ordinated with listed hospitals
- Published a Folder on Medical Tourism
- Opened Travel Desks at listed hospitals
- Organised capacity building training for staff manning Travel and Medical Tourism Desks in the Corporate and listed Hospitals
- Organised Seminar and Workshop

11.5.7 Now, Medical Visas up to one year validity is extended to health tourists and their attendants. This has resulted in growth of Medical Tourists arrival as stated below:

<u>Year</u>	<u>No. of Registration</u>
2006	566
2007	3307
2008	7307

11.6 Bed and Breakfast (Home Stay) Scheme

11.6.1 To enable the inhabitants of tourist destinations to earn additional income through their spareable rooms available in their homes, Bed and Breakfast Facility has been introduced in Tamil Nadu.

11.6.2 Workshops were conducted at six places in Tamil Nadu to publicise this scheme and also to create awareness. The Tourism Department has short listed seventy seven (77) Bed and Breakfast Service Providers from various districts in Tamil Nadu for the benefit of tourists and the same has been hosted in the Tamil Nadu Tourism website. Directory of the service providers has been brought out for circulations and the details have been posted on the website.

12 Publicity and Marketing

12.6 Tourist Friendly Campaign

12.6.1 Tamil Nadu Tourism has embarked upon a novel programme called "Virunthinar Potruthum! Virunthinar Potruthum!!" for inculcating a high degree of sophistication and practice for Tourist Friendly Culture among stakeholders in the State. Tamil Nadu Tourism has conducted training programmes to sensitise the stakeholders and the hoteliers, travel agents, taxi and auto-rickshaw drivers, traders, police personnel, temple employees and airport staff. The training programmes were conducted at Chennai, Dharmapuri, Salem, Erode, Thanjavur, Thiruvarur, Nagappattinam, Villupuram, Vellore, Kancheepuram, Cuddalore, Kanniyakumari, Madurai, Coimbatore, Thiruchirappalli and Tirunelveli. This year it has been proposed to conduct 'Virunthinar Potruthum, Virunthinar Potruthum' campaigns in the remaining tourist centres. By virtue of these training programmes and intensive campaigns in the State, reasonable awareness has been created in the minds of common men about the importance of tourism and tourist friendly practices.

12.6.2 In view of tremendous responses, scheme will be launched in all the Districts. A vigorous publicity campaign was launched to promote Tourist Friendly Culture in the State. It captivated the attention of the public and kindled their thoughts to march in the right direction. This campaign helps preserve fragile eco system; helps conserve marvellous historic monuments and eradicate vandalism.

12.6.3 Tourist Friendly Autorickshaw

'Tourist Friendly Autos', a novel scheme, was launched in the State during the year 2007-2008. The auto drivers who were interested in becoming a part of the Tourist Friendly Auto System were enlisted after verifying their antecedents with the Police and the Regional Transport Offices. The qualified drivers were given training on tourist spots, and social skills like communication, body language and related subjects. Tourist maps and brochures are given to them for distribution to the tourists.

'Tourist Friendly Autos' campaign was launched in Chennai with 39 autorickshaws and at Kanniyakumari with 18 autorickshaws in the first phase. In the second phase, 24 additional autorickshaws joined the 'Tourist Friendly Autos' scheme in Chennai. In the third phase, 25 numbers in Chennai, 28 autorickshaws at Tirunelveli (Courtallam Region) and 7 autorickshaws at Madurai joined. Under this scheme, autorickshaws enrolled in the system were got painted with the photographs of local tourist spots with the concurrence of the Transport Department.

12.7 Cleanliness Campaigns

Tamil Nadu stretches with a belt of 1058 km. long beach. Beaches should be kept neat and tidy and it is the duty of the local populace to protect the beaches from the dust and debris. Tamil Nadu Tourism has taken initiatives to clean the beaches with the cooperation of the local bodies. During 2008-09, Tamil Nadu Tourism organised cleanliness campaigns at Mamallapuram, Thiruvarangam and Chennai for the benefit of tourists and local people. On the World Tourism Day, cleanliness campaigns were organised in the entire State under the leadership of the District Collectors.

12.8 Photography contest

To get the best photographs of tourism attractions, a Photography Contest was conducted in coordination with Best Photography Magazine.

13 MICE market

In 2008-09, Tamil Nadu Tourism conducted three Seminars and Conferences namely, Eco-Tourism Governance, Medical Tourism and Responsible Tourism in Chennai. Marketing Incentive Conference and Exhibition would be conducted to showcase Tamil Nadu Tourism's potential.

13.1 Organising Seminar and Workshop

13.1.1 Regional Workshop on Eco-Tourism Governance Regional Workshop on Eco-Tourism Governance was organised in Chennai on 30.4.2008 wherein high Officials of Tourism Departments from Southern India and tourism stakeholders participated. In the workshop the preservation and conservation of fragile ecology and promotion of tourism without affecting the fragile nature was stressed.

14.4 World Tourism Day Celebrations

Rural Tourism is emerging as an important segment. Tamil Nadu has tremendous potential in Rural Tourism and this was showcased in the World Tourism Day celebrations appropriately as to highlight the theme for the World Tourism Day – **2008 “Tourism responding to the Challenge of Climate Change”**. This Department organised a number of activities like “Cleanliness Campaign”, “Tourism Awareness Campaign”, and Tourist friendly Campaign in Chennai and at important tourist spots in all Districts.

14.5 Indian Dance Festival – 2009

14.5.1 Tamil Nadu Tourism has been organising Dance Festival at the beautiful seashore of Mamallapuram to celebrate the spirit of local art forms since 1992 in

December and January. Year after year the number of tourists (both Domestic and Foreign) who are enthralled by the finesse of the festival is increasing leaps and bounds. Bearing this in mind, this year the dance festival was conducted as Indian Dance Festival for a month from 25th December 2008 to 25th January 2009, to offer and showcase the best of Indian art forms to the discerning tourists. The Tamil Nadu Tourism brought the best performers from various States in the country. The Mamallapuram Dance Festival has now evolved this year into "Indian Dance Festival" which aptly denoted the variety and the versatility of the Indian Fine Arts and dance forms. The master performers from various parts of India - Tamil Nadu, Andhra Pradesh, Karnataka, Puducherry, Jharkhand, Nagaland, Manipur, Rajasthan, Orissa, Mizoram, Sikkim, Assam and Arunachal Pradesh, congregated on the silver sands of Mamallapuram. The South Zone Cultural Centre, Department of Arts and Culture, and Government Music College of Chennai, converged and sponsored a variety of dance forms.

14.5.2 Apart from that, a mega inaugural event 'Cultural Confluence' comprising various arts and folk forms of Tamil Nadu was conducted. It brought variety and popular music to the viewers.

14.5.3 In the coming year, apart from the above festivals, Mutthamizh Vizha will be conducted at Ettayapuram, the birth place of Poets Subramania Bharathiar and Umaru Pulavar.

14.6 Cultural Extravaganza

Chennai is blooming with a number of cultural activities during December and January every year, especially Chennai Sangamam, the mammoth festival which attracts the tourists and the inhabitants. About 2000 artistes performed in the week long festival. It sent the sound of cymbals and the melody of lute to the nooks and corners of Chennai.

15 Computerisation and monitoring

Tamil Nadu Tourism has, in the recent past, taken major initiatives in the field of Information Technology with a view to benefiting the tourists. The aim of these initiatives is as follows:

- Improved Tamil Nadu Tourism Services
- Improved Tourist Information

a) Improved Tourism Services

i) Provision of PCs

Tamil Nadu Tourism, in its quest for improved and efficient services, has provided computers to all its officers up to the level of Joint Director in the Headquarters and Field Offices. All Tamil Nadu Tourism Offices, both in the State and outside the State, have been provided with computers. Upgradation of PC's is done on a regular basis.

ii) E-Mail and Internet

Access to Internet and E-Mail IDs has also been provided to all the employees in the Headquarters and Tamil Nadu Tourism Offices for quick disposal of information and other works.

iii) Project Monitoring System

Project monitoring system developed for the planning division to monitor and update and enter the details of Central Financial Assistance Projects and State Government Projects. Updating is done on a regular basis.

b) Improved Tourist Information

Various initiatives have been taken in the direction of providing quality tourist information, facilitation and services to the tourists, Tourism promotional agencies, media and others in the State and outside the State. Some of the major initiatives taken are as below:

- i) Website: www.tamilnadutourism.org - the main promotional portal of Tamil Nadu Tourism
- ii) Website: www.ttdonline.com – the main portal for booking of services of T.T.D.C.

16 Tourism Awards

16.1 Tamil Nadu Tourism bagged three National Tourism Awards for 2006-2007 from the Ministry of Tourism, Government of India, under the following categories:

17 Financial outlay

To meet the demand of the visiting tourists, infrastructure facilities like rest sheds, public convenience, parking lots, drinking water, roads, civic amenities, etc. have been provided at all destinations and places and spots with the Centre and State funds.

Funds provided towards infrastructure in the last three years are furnished below:

2006-07	Rs.63.57 crores
2007-08	Rs.51.53 crores
2008-09	Rs.62.04 crores

TAMIL NADU TOURISM DEVELOPMENT CORPORATION

Tamil Nadu Tourism Development Corporation (TTDC) was incorporated in 1971 with the main objective of promoting tourism in Tamil Nadu by building up adequate tourism related infrastructure facilities in tourist destinations especially lesser known destinations. TTDC made a modest beginning by taking over five Government Bungalows and operating two coaches for tours. Today it has earned the proud distinction of owning the longest chain of 55 hotels in South India. The fleet of coaches has increased to 24.

TTDC is providing the facilities such as Hotels, Youth Hostels, Restaurants, Boathouses, Telescope Houses, Lake Parks and Petrol Bunk for the benefit of the tourists in all the major tourist destinations in the State.

TTDC is operating Youth Hostels in all major tourist destinations including Udthagamandalam, Kodaikanal and Yercaud, wherein dormitory accommodation is provided to budget tourists at affordable cost even during the peak Summer Season.

1. Financial performance

Sl.No.	Particulars	2007-08	2008-09	Per cent growth
		(Rupees in Crore)		
1.	Total turnover	55.04	69.00	25
2.	Net profit	4.43	9.50	114

TTDC has achieved a quantum leap in turnover and profits despite the global melt down and the Mumbai incident, which have affected the tourist inflow to the country. The significant growth in profits has been achieved by TTDC by taking several initiatives in both Hotels Sector and the Transport Sector.

1.1 Special package tours were organized for the Panchayat Presidents as part of Training Programme for the Rural Development and Panchayat Raj Department. Special Training Workshops were conducted by the Education Department through UNICEF at Madurai, Coimbatore and Mamallapuram utilizing the transport and accommodation facilities of TTDC. All the old coaches were replaced with modern hi-tech coaches. New tours were introduced. Aggressive publicity campaign was launched to market the Rail-cum-Road Tours. This has helped TTDC to improve the performance in both Hotels and Transport Sectors.

1.2 Modern boats were purchased and supplied before the peak Summer Season resulting in substantial growth in Boating Sector, thereby improving the overall profits of TTDC.

1.3 All the major hotels were upgraded in the past two years, which helped TTDC to improve the occupancy levels in its hotels from 50 per cent during 2005-06 to 62 per cent during 2008-09.

2. Franchising of TTDC Hotels and Restaurants

The Government have approved franchising of 31 hotels and 10 restaurants. TTDC has franchised 24 hotels and seven restaurants till date. Efforts have been taken to franchise the remaining hotels and restaurants. The income earned through franchising the hotels and restaurants is utilized for upgradation of the remaining hotels and restaurants of TTDC.

3. India Tourist - Anna Centenary and Industrial Fair

3.1 The 35th India Tourist Anna Centenary and Industrial Fair was inaugurated by Honourable Chief Minister of Tamil Nadu to commemorate the Birth Centenary of Perarignar Anna. This Fair proved to be a major attraction to Chennai citizens as more than 2 lakh additional visitors visited the Fair in just 20 days with 6.39 lakh visitors compared to 4.30 lakh visitors during last year. The Fair has attracted 17 lakh visitors compared to 14 lakh visitors last year. The profit earned in this Fair has increased to Rs.2.02 crores compared to Rs.1.52 crore earned during last year.

- TTDC conducted Summer Fest at the Island Grounds, Chennai, from 1st May to 7th June 2008 through Event Manager, which proved to be a resounding success fetching an income of Rs.70 lakhs to TTDC.
- A Food Carnival was organized at the Island Grounds, Chennai, during Navarathiri holidays in October 2008, which yielded an income of Rs.4 lakhs to TTDC. Apart from these Fairs, jointly organized by TTDC, the Island Ground was also let out for conduct of Private Exhibitions.
- A Consumer Fest was organized at Jail Ground at Coimbatore during August-September 2008 through Event Manager, resulting in earning, Rs.19 lakhs to TTDC.

3.2 These initiatives helped TTDC to earn all time high record revenue of Rs.1.18 crore during non-Fair period of April to November, surpassing the previous best income of Rs.44 lakhs achieved during 2003-04.

4. E-Governance initiative in TTDC

- TTDC has earned the distinction of being the first State Tourism Corporation to introduce on-line booking of its tours and hotels. The bookings through website www.ttdconline.com increased from Rs. 14.97 lakhs in 2004-05 to Rs.138.70 lakhs in 2008-09.
- In consonance with value added IT services, TTDC has been earning more revenue by increasing the occupancy in hotels and operation of tours. Tourists from more than 70 countries specially **Spain, USA, London, France, Australia, Finland, Canada, Norway, Germany, Italy, Japan, Netherlands, Singapore, China, Dubai, Mauritius, Malaysia, Sri Lanka, South Africa etc.** have used online to book hotel accommodations and tours. Around 1,00,000 tourists visit our website per month. About 90-100 Emails are received daily.
- TTDC has revamped its website <http://www.tamilnadutourism.org> incorporating details of all tourist spots, important tourist destinations, Hotels, Fairs and Festivals, Art and Culture, etc. for the benefit of both domestic and foreign tourists. 6.74 lakh tourists visited our website during 2008-09 compared to 5.27 lakh tourists during last year (2007-08).
- TTDC has introduced Centralized On-line Real Time Reservation System in 12 hotels and sales counters in Chennai and outside the State, namely, New Delhi, Mumbai and Kolkata and for the package tours to improve its bookings especially by inbound tourists.
- TTDC has made arrangements for on-line contributions to the Chief Minister's Public Relief Fund through the website www.ttdconline.com/cmprf.htm. A sum of Rs. 11.54 lakhs has been remitted to Government till date.

5. Ayyan Thiruvalluvar Statue

TTDC has been maintaining the Ayyan Thiruvalluvar Statue at Kanniyakumari since 2002. Several important works like granite flooring around the Statue, relaying the pathway,

etc. were executed. A sum of Rs.90 lakhs was spent during the year 2008-09 for providing polysilicon coating and other related works for protection of Thiruvalluvar Statue. Two ferries at a cost of Rs.210.00 lakhs were purchased by Poompuhar Shipping Corporation with a partial financial assistance from Tourism Ministry, Government of India during 2008-09 facilitating the tourists to visit the Tiruvalluvar Statue from the mainland. The ferries are now in use.

6. Marketing Initiatives

- Road shows and publicity campaigns were organized at Delhi, Mumbai, Kolkata, Ahmedabad, Lucknow and Hyderabad to market our tours and hotels.
- Banana Boats and Speed Boat were also introduced at Mudaliarkuppam. Boats were introduced and Boat Races were conducted at Rain Drop Boathouse at Mudaliarkuppam in August, 2008 to popularize Water Sports
- These measures paid rich dividends and the Boathouse at Mudaliarkuppam has registered significant growth of 109 per cent with a turnover of Rs.38.13 lakhs for the year 2008-2009 compared to last year's turnover of Rs.18.28 lakhs.
- The Scheme of Gold Card and Platinum Card was launched by Honourable Chief Minister of Tamil Nadu in July 2008. The membership fee for Gold Card is Rs.1,000 with validity period of three years and the Platinum Card is Rs.5,000 with validity of 10 years. 20 per cent discount is given to the Card holders in TTDC hotels. Till date 201 Gold Cards and 19 Platinum Cards have been availed by the customers.
- Gold and Platinum cards will be issued through online. Tourists can upload their photos in the Internet and get their card on the spot.

7. Other Initiatives Taken by TTDC during 2008-09

- TTDC has replaced four coaches with Hi-Tech coaches In the past two years, TTDC already replaced 16 coaches at a total cost of Rs.4 crores. This has helped TTDC to bring down the average age of fleet from 54 months in 2005-06 to 18 months in 2007-08.
- 20 economy cottages were upgraded and 20 new cottages were constructed at a total cost of Rs.2.20 crores at Beach Resort Complex at Mamallapuram. These cottages would generate additional revenue of more than Rs.60 lakhs per annum.
- The hotels at Madurai, Kanniyakumari, Yercaud, Rameswaram, Kodaikanal and Hogenakkal were upgraded at a total cost of Rs.2.35 crores.
- The Heritage Hotel at Kanniyakumari was renovated at a cost of Rs.80 lakhs.
- The Boathouse at Muttukadu has been upgraded at a cost of Rs.88 lakhs. The upgraded Boathouse would attract tourists in large numbers.
- Modern boats were purchased at a cost of Rs. 90 lakhs. This has helped TTDC to augment its revenue from Boathouses and register substantial growth of 30 per cent with a turnover of Rs.7.74 crores during the year 2008-09 compared to Rs.5.95 crores achieved during last year.

8. Initiatives Taken by TTDC in Public Private Partnership

8.1 TTDC has entered into an agreement with a Private Sector company for establishment of Adventure Sports at the Island Grounds, Chennai, and at the Boathouse, Mudaliarkuppam, Bunjee Run, Zorbin Ball, Rock Climbing, Paint Ball and Trampoline have already been introduced at the Island Grounds.

8.2 Hot Air Balloon and Parasailing will be introduced by September 2009 at Rain Drop Boathouse, Mudaliarkuppam.

- The India Tourist Anna Centenary and Industrial Fair 2009 was organized through an Event Manager with a fixed rent of Rs.2.20 crores and revenue share of 30 per cent in gate collection.
- TTDC has already franchised 24 hotels and 7 restaurants to Private Hoteliers for 10 to 15 years. These hotels and restaurants were taken up by Private Hoteliers and after its renovation they are operated by them successfully.
- Bamboo cottages with rejuvenation therapies have been established in Beach Resort Complex, Mamallapuram, in association with the Private Sector.

9. Rail-cum-Road Tour

The Rail-cum-Road Tours were introduced in September 2002 from Mumbai, Delhi and Kolkata, and were subsequently expanded to Ahmedabad and Jaipur. This tour provides confirmed train tickets, warm reception at Chennai Central Railway Station, Luxurious travel in Hi-Tech coaches, Professional Guide Service and quick Dharshan in temples including Tirupathi through tie-up arrangements.

These tours have become popular among the in-bound tourists from these places and the income has increased to Rs.140 lakhs for the year 2008-09 from Rs.61 lakhs for the year 2007-08 registering a growth of 130 per cent.

10. New initiatives

- Bars at Ooty, Coimbatore and Rameswaram will be upgraded at a total cost of Rs.72 lakhs.
- 10 cottages at Hotel Tamil Nadu, Hosur, will be upgraded at a cost of Rs.21 lakhs.

14. Website in Tamil Language launched

A website www.tamilnadutourism.org/tamil has been launched recently for the benefit of domestic tourists.

15. Introduction of Virtual Tours

To attract more tourists, TTDC has proposed to develop virtual tours covering major destinations of Tamil Nadu. The virtual tours make locations lively on the website or through presentations and Multimedia CD's. The development of virtual tours with real effect would increase the inflow of tourists in Tamil Nadu.

Conclusion

Tourism is an energizer to enliven our spirits.
Money spent on tourism is an investment.
Helps to transcend barriers and transgress limitations.
Promotes fraternity and fosters friendship.
Enhances employment and enriches knowledge.
Preserves values and conserves culture.
Protects monuments and propels prosperity.

Tamil Nadu Tourism offers innumerable experiences.
Places the tourists on pedestal.
Treats them with honour.
Makes them feel at home.
Adds varieties and colours in all spheres.

*Tourists come here as guests, feel as hosts and leave as friends.
They come to create memories and part to preserve them.*
