INTRODUCTION

The Youth Welfare and Sports Development are essential components of human resources development that help to promote good health, comradeship and a spirit of friendly competition that have positive impact on the total development of the personality of the youth. It is the aim of the Youth Welfare and Sports Development Department to develop qualities of citizenship and dedication to community service among all sections of the youth. It lays stress on sustaining and reinforcing the spirit of volunteerism amongst the youth in order to build up individual character and generate a sense of commitment to the goals of developmental programme. Sports and games, the activities of the National Cadet Corps and the National Service Scheme endeavour to provide the basic qualities for youth to blossom into responsible citizens. Excellence in sports and social activities enhances the sense of achievement, national pride and patriotism. Sports and youth organizations also foster social harmony and discipline. Youth Welfare and Sports activities in which the State has great potential and competitive advantage are sought to be promoted vigorously. Attention will continue to be focused and efforts taken for tapping talent in rural and urban areas creating opportunities for development of talent and pursuit of excellence.

In India, our State has the maximum number of volunteers under the National Service Scheme (3,70,018 Members). Our state stands second in the National Cadet Corps also.

In Sports Tamil Nadu has created two World Champions (Elavazhagi – Carrom; Viswanathan Anand – Chess)

In the Commonwealth Youth Games held at Pune, Tamil Nadu Sports Persons secured 2 Gold and 5 Silver Medals.

The Financial outlay in respect of Youth Welfare and Sports Development Department For the year 2009-2010

Allocation to, Youth Welfare and Sports Development Department in 2009-2010 in Demand No.49 is Rs.27.79 Crores, out of which Rs.12.72 Crores are for Plan schemes.

CHAPTER - I

1.1 SPORTS DEVELOPMENT AUTHORITY OF TAMIL NADU

The Government of Tamil Nadu, in order to channellise the enthusiasm of the young people in sports activities, constituted the Sports Development Authority of Tamil Nadu vide G.O.Ms.641, Education (Y1) Department, dated 18.7.1992 by merging the erstwhile Department of Sports and Youth Services and Tamil Nadu State Sports Development Corporation. This is similar to the pattern of the Sports Authority of India. The Hon'ble Chief Minister of Tamil Nadu is the President of this Authority. The

Sports Development Authority of Tamil Nadu, is the apex body for Sports in Tamil Nadu, and implements all the policy decisions on sports and youth welfare activities of Government of Tamil Nadu in the State of Tamil Nadu.

1.2 Aims and Objectives:-

The main aims and objectives of the Youth Welfare and Sports Development Authority of Tamil Nadu are as follows:

- 1) To establish infrastructure facilities in District Headquarters, schools and colleges for the development of sports and games.
- 2) To identify talented sports persons, to train them and to render suitable financial assistance so as to enable them to participate successfully in National and International competitions.
- 3) To give various incentives and awards to eminent sports persons so as to motivate them to higher levels of achievement.
- 4) To promote among the student as well as non-student youth, a spirit of adventure and love for physical activity.
- 5) To promote scientific temper, communal harmony and a spirit of service to the community among the student as well as non-student youth.
- 6) To implement the various schemes of the Government of India and of the State Government aimed at the promotion of sports and youth welfare.
- 7) To conduct various sports competitions, youth festivals and exhibitions.

1.3 Over the years, Tamil Nadu has been in the forefront in sports and games at the National and International levels both in individual and team events. This is largely due to the excellent infrastructure, coaching facilities, tournaments and incentives provided to sports persons by the Government of Tamil Nadu.

1.4 STRATEGY FOR SPORTS IN TAMIL NADU TO ACHIEVE EXCELLENCE

Both developing and developed countries in the world that have shown success in the international sports arena have clearly followed a long-term strategy. Most have adopted the pyramidal model with a broadbase gradually tapering to the top. Considering that Tamil Nadu has a population, which is several times more than most countries that have participated in the Olympics, a long-term strategy yielding results and bringing glory to the State and Country is relevant. Tamil Nadu with a clearly defined long-term strategy can prove to be an example to other States. The long-term strategy proposed for Tamil Nadu in this Policy document is to adopt a pyramidal hierarchy of sports activity that would have five different levels. The lowest skill level would be termed as Level-1 and the pyramid tapers to the peak to Level-5. To illustrate this further, a diagram relevant to the pyramidal strategy is drawn below:

Sports in Tamil Nadu is being nurtured on the above lines.

1.5 Level-1

Mass participation –

Mass participation has been programmed in two aspects:-

1. Battery of Tests is being conducted in all the schools for all the students studying in std. VI, VII and VIII. The talented are spotted from these tests and are prepared for the next level participation.
2. All Panchayat are being provided Rs.1.00 lakh to 1.50 lakhs for sports infrastructure under the Anaithu Grama Anna Marumalarchi Thittam being implemented by the Rural Development & Panchayat Raj Department.

1.6 Level-2

District level

In all the District headquarters, a stadium with 400m athletic track has already been established. Swimming pools have been established in 16 districts. The facilities will be upgraded in a phased manner in future. District level competitions are being conducted by the respective District Sports Associations. A long-term perspective plan is being formulated to conduct district level competitions in 20 disciplines in future.

1.7 Level-3

State level

World Class sports infrastructure facilities are being developed at State level. 400m synthetic athletic track has been established in Chennai, Coimbatore and Madurai. Synthetic hockey surface has been established in Chennai and Tirunelveli. Synthetic tennis courts have also been established in Krishnagiri, Tiruvannamalai, Kancheepuram, Cuddalur and Tiruvallur.

A long term perspective plan is being formulated to create atleast one world class facility in all the districts.

State hockey tournaments are being conducted at the district level in the first phase and at the State level in the final phase during the last three years. These competitions are being conducted on league basis. Apart from this, competitions in eight disciplines including athletics and swimming are being conducted on knock-out basis. A scheme to conduct state level competitions in 20 sports will be implemented in the forthcoming years.

Apart from this, financial assistance is being extended to the State Sports Associations to conduct annual State championships.

For the talents identified at district level, State level coaching camps are being conducted and opportunities to participate in competitions are also being provided. Residential Sports Hostels are also being run.

Generally, all sports disciplines are being encouraged. In addition, special focus will be given to the games of Carrom, Chess, Tennikoit and Powerlifting which have been bringing more laurels to Tamil Nadu.

1.8 Level 4 & Level 5

National; International

All efforts taken at the ground level will have to bear fruits at the National and International level. Several Tamil Nadu players have registered victories at these levels. Tamilians have represented national teams in Cricket, Volleyball, Basketball, Tennis, Squash, Kabaddi, and Fencing.

In order to further sharpen the endeavour, world class sports facilities have been established in Chennai, Coimbatore, Madurai and Tirunelveli. Sports Hostel of Excellence is functioning to further nurture the achievers.

Financial assistance is being provided to conduct national and international tournaments in Tamil Nadu and also for the Tamil Nadu sportspersons to participate in such competitions elsewhere.

The Tamil Nadu Government awards high cash incentive to the national and international achievers more than any other State.

CHAPTER - II

TALENT IDENTIFICATION

The following three schemes are in vogue:

1. World Beaters Talent Spotting Scheme
2. Selection Trials for Sports School Hostels
3. Selection Trials for Sports Hostel of Excellence

2.1 WORLD BEATERS TALENT SPOTTING SCHEME (4 Tiers)

2.1.1 CONDUCT OF BATTERY OF TESTS IN SCHOOLS AND ISSUE OF SPORTS REPORT CARD

The Government, in order to promote Sports in Tamil Nadu, felt the necessity to spot talent at an early age and have directed to conduct Battery of Tests for Students in 6th, 7th and 8th standards in all schools every year in the State under the “**WORLD BEATER’S TALENT SPOTTING SCHEME**”. Further, the Government have also directed to issue a Report Card containing the results of the Battery of Tests, which could help to assess the child’s potential to play a particular game or develop.

2.1.2 TALENT IDENTIFICATION AT EDUCATIONAL DISTRICT LEVEL

Based on Government directions to conduct the Battery of Tests in all schools in Tamil Nadu, schools send reports of those who have scored 10 out of 10 in one test or 9 out of 10 in two tests in speed, endurance, strength, explosive power and agility through a format to SDAT. The SDAT is conducting competitions at 64 education districts throughout Tamil Nadu in 100m, 200m, 400m, long jump, high jump and shot-put to identify sports talents. In each educational district, 2500 to 3000 boys and girls participate in these competitions; more than a lakh of them at the State level.

2.1.3 TALENT IDENTIFICATION AT REGIONAL LEVEL

Subsequently, the educational districts are grouped in nine regions and competitions for the first two place winners in educational district in the above events are conducted at regional level for talent identification. This effort is now being taken every year so as to identify the most talented children at the local levels. About 600 boys and girls participate in each regional level competition totalling over 5400 at the State level.

2.1.4 TALENT IDENTIFICATION AT STATE LEVEL

The talents at the regional level competitions are identified and are being provided intensive training for 15 days and the potential talents are inducted into the Specialized Academies and are being provided continuous coaching. 1200 boys and girls are being benefited in these specialized academies.

2.2 SPORTS SCHOOL HOSTELS SELECTION TRIALS (Two Tiers)

In sports school hostels, students studying in 7th, 8th, 9th and 11th standards are being admitted. The selection trial is being conducted in two tiers.

2.2.1 DISTRICT LEVEL SELECTION TRIALS

In the district level physical fitness selection trials, approximately 3500 boys and 500 girls are taking part every year.

2.2.2 STATE LEVEL SELECTION TRIALS

1200 to 1500 identified talents from district level selection trials will be participating in the state level selection trials. 300 to 350 potential talents will be selected and are enrolled in the sports school hostels.

2.3. SELECTION TRIALS FOR SPORTS HOSTEL OF EXCELLENCE

The selection trials for the Sports Hostel of Excellence are being conducted every year to select the sportspersons who possess the potential to win at the national and international competitions. 200 to 300 men will be participating in these selection trials. 20 to 30 outstanding sportspersons will be selected and enrolled in the Sports Hostel of Excellence.
