

Manual for Information

I. ORGANISATION OF TAMILNADU MARITIME BOARD

Tamil Nadu Maritime Board was formed in 1997 under the Tamil Nadu Maritime Board Act, 1995 (Tamil Nadu Act 4/1996) to administer, control, regulate and manage the minor ports in Tamil Nadu. Prior to the formation of Board, the minor ports were under the control of Tamil Nadu Port Department. The Board is functioning under the Chairmanship of Hon'ble Minister for Highways and Ports, Government of Tamil Nadu.

FUNCTIONS OF THE BOARD:-

The following are the main functions carried out by Tamilnadu Maritime Board:

- 1) Framing of Rules for administration and operation of ports under Indian Ports Act, 1908 and Tamilnadu Maritime Board Act, 1995.
- 2) To levy port dues and other charges such as Landing and Shipping fees, Ground and godown rents, Crane hire charges, overtime fees, Vehicle entry fees, Pilotage fees, Pilot licence fees, Hire charges for floating crafts and such other fees under Indian Ports Act, 1908 and Tamilnadu Maritime Board Act, 1995.
- 3) To provide necessary infrastructure facilities for landing and shipping of cargoes, supply of fresh water to ships, provision of Transit sheds and Storage godowns, Navigational aids in harbour with facilities for carrying goods and to maintain adequate depth in the channel for safe navigation.
- 4) Declaration of port limits and landing places at the ports.
- 5) Rendering pilotage service wherever necessary under Section 35 of the Indian Ports Act, 1908.
- 6) Detaining Un-Seaworthy ships.
- 7) Issuing Certificate of Entry and Clearance.
- 8) Affording assistance for communication between shore and ship with Very High Frequency / Morse / Flag Signals.
- 9) Rendering assistance to vessels in distress.
- 10) Conducting preliminary enquiries into wrecks and casualties.

11) Issuing Pilot licence for private pilotage at the minor port in Tamil Nadu.

II. POWERS AND DUTIES OF OFFICERS

After formation of Tamil Nadu Maritime Board the powers and duties of officers have been prescribed and sent to the Government for approval. The same is under consideration of Government.

III. INFORMATION ON MINOR PORTS IN TAMILNADU

The state of Tamil Nadu has the natural coast line to a length of 992 km, on which there are three major ports and fifteen minor ports situated. The details are as follows.

MAJOR PORTS

1. Chennai
2. Ennore Port Ltd
3. Toothukudi

MINOR PORTS

- | | |
|-----------------|----------------------|
| 1. Cuddalore | 8. Kattupalli |
| 2. Nagapattinam | 9. Ennore Minor Port |
| 3. Rameswaram | 10. Thiruchopuram |
| 4. Pamban | 11. PY-3 Oil Field |
| 5. Valinokkam | 12. Tirukkadaiyur |
| 6. Kanyakumari | 13. Punnakkayal |
| 7. Colachel | 14. Manappad |
| | 15. Kudankulam. |

The major ports are under the control of Government of India. All the minor ports are under the control of Tamil Nadu Maritime Board. Among these Kattupalli, Ennore Minor Port, Thiruchopuram, PY-3 Oil Field, Tirukkadaiyur, Punnakkayal, Manappad and Kudankulam have been declared as captive ports at the specific request of private companies / entrepreneurs for their captive use. At the captive ports, the infrastructural facilities are developed by the company / entrepreneur concerned. The following commodities are handled at the minor ports.

EXPORT

Cement
Crude Oil
General Cargo

IMPORT

Copra cake
Crude Oil
Edible Oil
General Cargo
Liquid Ammonia
Machineries
Naphtha

Facilities / Traffic at the ports

Cuddalore Port

This port is situated in Cuddalore district. At this port ships anchor in mid stream at a distance of about a mile from the shore and cargo is loaded and discharged through lighters.

The following port facilities are available at the port.

1. Wharves
2. Stacking area
3. Cargo sheds
4. Dry Dock
5. Weigh Bridge

Light house and VHF are functioning at the port for Navigational Aids.

M/s. Tamil Nadu Petroproducts Limited have constructed a chemical storage terminal at the port for import of propylene. The Government of Tamil Nadu have decided to develop this port through private sector participation.

Nagapattinam Port

This port is situated in Nagapattinam district. The anchorage of this port is an open roadstead. The port facilities provided at the port are as follows.

1. Wharves
2. Stacking area
3. Cargo sheds
4. Passenger Terminal Station
5. Weigh Bridge
6. Slipway

Light house and VHF are functioning at the port for Navigational Aids.

M/s. Foods Fats and Fertilisers Ltd. have set up Edible oil storage terminal at the port. Edible oil vessels are regularly calling at the port. Two other companies are also importing edible oil through this port.

M/s. Chennai Petroleum Corporation Ltd. have constructed a RCC jetty with an approach trestle within Nagapattinam port limits so as to handle Crude oil required for their Refinery at Panangudi. M/s. South India Edibles are importing Copra cake through this port.

Tamil Nadu Maritime Board has proposed to develop this port with the financial assistance of Asian Development Bank and ASIDE.

Pamban port

This port is situated in Ramanathapuram district. The only function at the port is to pilot the small drafted vessels of five feet passing through Pamban Channel from north to south and vice versa connecting East and West coasts of India.

Light house is functioning at the port for Navigational Aids. Storm warning signals are displayed from the flag staff.

Rameswaram port

This port had been catering to passenger service between Rameswaram and Thalaimannar operated by M/s.Shipping Corporation of India. The service was suspended with effect from 8.1.1985 due to ethnic problems in Sri Lanka.

The port facilities available at the port are:

- 1.Wharves
- 2.Jetty
- 3.Cargo-cum-Baggage shed
- 4.Passenger Terminal Station

Storm warning signals are displayed from the Flag staff for Navigational Aids.

Valinokkam port

Ship breaking activities which were carried out earlier at this port are not permitted now due to possible adverse environmental impact.

Kanyakumari port

This port is solely meant for facilitating ferry service between the shore and Vivekananda Rock Memorial & Tiruvalluvar Statue. M/s.Poompuhar Shipping Corporation Ltd. is operating the ferry service. Tamil Nadu Maritime Board is supervising the ferry service and deriving establishment charges from the Corporation.

Colachel port

The Government of Tamil Nadu have proposed to develop this port and requested the Government of India to include the proposal of developing the Colachel port in the National Maritime Development Programme. Presently there is no activity at the port.

Kattupalli port

This port was declared for the captive use of M/s.VOPAC Sical Terminal Ltd. for construction of marine facilities for handling Petroleum products. The company had not been able to develop the port due to various reasons. Hence Tamil Nadu has withdrawn the approval granted to them and decided to offer the port to interested parties under BOT / BOOT / BOOST basis.

Ennore Minor port

This port was declared for the captive use of M/s.Coromandel Fertilisers Ltd. The company has erected marine facilities at the port for receiving Liquid Ammonia required for their Fertiliser factory. Liquid Ammonia is regularly imported through this port.

Thiruchopuram port

This port was declared for the captive use of M/s.Nagarjuna Oil Corporation Ltd. for handling crude oil for import and refined oil products for export in respect of their proposed oil refinery at Thiruchopuram.

PY-3 Oil Field

This port which is entirely situated within the sea off-shore Cuddalore was declared at the specific request of M/s.Hardy Exploration and Production (India) INC for loading of crude oil being extracted from the oil wells therein. Marine facilities are developed by the Company. Crude oil tankers are regularly calling at this port.

Tirukkadaiyur port

This port was declared for the captive use of M/s.PPN Power Generating Company Private Ltd. so as to handle Naphtha and Natural gas required for their 330 MW Gas combined Cycle Power Project at Pillaiperumalnallur. Port facilities are developed by the Company and the cargo is handled at the port.

Punnakkayal port

This port was declared for the captive use of M/s.Dharangadara Chemical Works Ltd. The commodities proposed to be handled are Vinyl Chloride Monomer, Low Sulphur Heavy Stock , Liquified Petroleum Gas, etc. The Company is yet to finalise their financial tie-up for the Project.

Manappad port

This port was declared at the request of M/s.Indian Gas Ltd. for handling LNG required for the proposed 2000 MW Gas Turbine Power Project . Financial tie-up for the project is yet to be finalised.

Kudankulam port

This port was declared for the captive use of M/s.Nuclear Power Corporation of India Ltd. for import of machineries required for their proposed Nuclear Power Project at Kudankulam. The company is importing machineries through this port.

IV. PROCEDURE FOLLOWED IN THE DECISION MAKING PROCESS INCLUDING CHANNELS OF SUPERVISION AND ACCOUNTABILITY.

All the proposals are placed before Tamil Nadu Maritime Board for approval in the Board Meetings and action taken as per the resolutions passed by the Board.

V. NORMS SET BY TAMILNADU MARITIME BOARD FOR DISCHARGE OF ITS FUNCTIONS

Norms prescribed by the Government of Tamil Nadu are being followed at present in Tamil Nadu Maritime Board.

VI. ACTS, RULES, REGULATIONS, MANUALS AND CODES FOLLOWED BY TAMILNADU MARITIME BOARD

ACTS:-

1. Tamil Nadu Maritime Board Act, 1995.
2. The Indian Ports Act, 1908.
3. The Merchant Shipping Act, 1958.
4. The Indian Lighthouse Act.
5. The Right to Information Act, 2005.
6. The Tender transparency Act.

RULES:-

1. Tamilnadu Minor Ports Harbour Craft Rules, 1953.
2. The Indian Port Health Rules.
3. Tamil Nadu Maritime Board Pilotage Rules.
4. Special Rules for Tamil Nadu Port Services.
5. Special Rules for Tamil Nadu Port Subordinate Services.
6. Special Rules for Tamil Nadu Ministerial Services (Section 22).
7. Special Rules for Tamil Nadu General Subordinate Services.
8. Special Rules for Tamil Nadu Basic Services.
9. Tamil Nadu Civil Services (Disciplinary and Appeal) Rules.
10. Tamil Nadu Pension Rules.
11. Fundamental Rules.
12. Tamil Nadu Special Pay & Allowances Rules.

MANUALS AND CODES:-

1. Tamil Nadu Government Office Manual.
2. Tamil Nadu Maritime Board Manual.
3. ISPS Code.
4. Public Works Department A Code and D Code.
5. Code of Storm Warning Signals.

All Acts, Rules, Government orders, circulars and instructions enacted / framed / issued by the Government of India and Government of Tamil Nadu from time to time in connection with the functions of Tamil Nadu Maritime Board with regard to the matters not specified in Tamilnadu Maritime Board Act.

VII. DOCUMENTS UNDER THE CONTROL OF TAMIL NADU MARITIME BOARD.

1. Licences in Form-26, 26-A, 32 and 32-A issued by Tamil Nadu Maritime Board to various companies for using the port land at the minor ports in Tamil Nadu, coastal land outside port limits and for construction of Marine structures.
2. Annual Financial Results of Tamil Nadu Maritime Board.

VIII. FORMULATION OF POLICY AND IMPLEMENTATION.

A Port Policy for augmenting the investment opportunities by the private sector in development of minor ports in Tamilnadu has been formulated by the Government of Tamil Nadu. The main objectives of the Port Policy are:-

- a) To promote Port based Thermal Power Plants by providing exclusive port facilities for import of Coal/ Naphtha/ Oil/ Natural Gas.
- b) To provide port facilities to promote Export Oriented Industries and Port based industries along the Coastal districts of Tamilnadu.
- c) To decongest Highways and Railways by providing facilities for Coastal traffic of Passengers and cargo along the east coast.

- d) To promote Tourism by providing facilities for leisure and water sports activities along the coastline.
- e) To provide facilities to encourage ship-repairing, ship-breaking and manufacture of cranes and floating crafts.
- f) To decongest the major ports in Tamil Nadu.
- g) To increase the share of Tamilnadu State in the Export and Import sector, in National and International Trade and Commerce in post-liberalisation and globalization era.
- h) To cater to the needs of increasing traffic of Southern states by providing efficient facilities and services and to support the country's domestic and international trade.
- i) To create sufficient infrastructure facilities to handle 25% of India's total Cargo in Tamilnadu Maritime Waters.

Implementation of Policy:-

As per the port policy development of captive ports and allied facilities such as jetties mooring systems etc is being encouraged by Tamil Nadu Maritime Board through active private sector participation.

As per the policy Tamil Nadu Maritime Board had proposed to promote tourism by facilitating leisure and water sports activities along the coast of Tamil Nadu. Accordingly approval has been accorded to the private entrepreneurs to conduct water sports activities / run ferry service. It has also been proposed to set up a Maritime Museum at Marina Beach.

IX. COMMITTEES CONSTITUTED

The following committees consisting of three or more members have been constituted by Tamil Nadu Maritime Board. They are:

A. *Finance and Administrative Sub-Committee*

Members:-

1. Member representing Finance Department, Government of Tamil Nadu.
2. Deputy Secretary to Government, Highways Department, Government of Tamil Nadu.
3. Chief Executive Officer, Tamil Nadu Maritime Board.

B. Tender Scrutiny Committee**Members:-**

1. Chief Engineer, Chennai Port Trust.
2. State Port Officer, Tamil Nadu Maritime Board.
3. Chief Accounts Officer-cum-Secretary, Tamil Nadu Maritime Board.
4. Superintending Engineer (Civil) (I/c), Tamil Nadu Maritime Board.

C. Tender Award Committee:-**Members:-**

1. Representative from Finance Department, Government of Tamil Nadu.
2. Chief Executive Officer, Tamil Nadu Maritime Board.
3. Regional Commander, Coast Guard Region (East).
4. Special Secretary, Public Works Department, Government of Tamil Nadu.
5. State Port Officer, Tamil Nadu Maritime Board.

XII. BUDGET

As per Section 84 of Tamil Nadu Maritime Board Act, 1995, Tamil Nadu Maritime Board shall submit an estimate of the income and expenditure of the Board for the next financial year to the Government for approval on or before the thirty first day of January in each year. The Government shall sanction the estimate with or without modification.

The Government of Tamil Nadu considered that there is no need that Budget Estimates of State Public Sector undertakings / Boards should be approved at Government level and directed all the SPSUs and Boards that the Budget estimates need not be sent to Government for approval and the respective PSUs / Boards may scrutinize and approve the Budget Estimate at the appropriate time after taking into account the instructions issued by the Government from time to time vide their letter No.23/JD (D)/BPE/2004-1, Finance (BPE) Department, dated:18.06.2004.

Accordingly the Budget Estimate of income and expenditure showing surplus or deficit is prepared along with the cash flow statement showing the cash surplus or cash deficit and placed before Tamil Nadu Maritime Board and get it approved.

As per Section 88 of Tamil Nadu Maritime Board Act, 1995 the Board shall maintain proper accounts and other relevant records and prepare Annual Statement of Accounts including the Balance sheet in such a form as may be approved by the Government. In Tamil Nadu Maritime Board it was decided to continue to follow the accounts on commercial accounting basis through Profit and Loss Account. The Government vide letter No.11782/HF2/99-2, Highways Department, dated.13.08.99 have directed that both receipts and expenditure should be accounted on accrual basis.

The accounts of the Board shall be audited once in every year by an Auditor appointed by the Government in consultation with the Controller and Accountant General of India. Accordingly the Accountant General (A& E) , Tamil Nadu, Chennai has been appointed as the Auditor for Tamil Nadu Maritime Board. The Audit Report of the Auditor shall be placed before the Legislative Assembly of Tamil Nadu Government for its approval.

XIII. EXECUTION OF SUBSIDY AND PORT DEVELOPMENT PROGRAMMES:-

The Subsidy and Port development Programmes are executed by allotment of works through tender. Tenders are awarded as per the Tender Transparency Act. The details of the said Subsidy and development Programmes under execution with the financial assistance of Asian Development Bank and ASIDE in Tamil Nadu Maritime Board are as follows.

Under Asian Development Bank funds.

A sum of Rs.56.931 crores has been sanctioned by the Government vide G.O.Ms.No.581/(NC-IV) Department, dated.19.10.2005 for execution of schemes by Tamil Nadu Maritime Board with the Asian Development Bank assistance as detailed below.

	<u>Name of the Port</u>	<u>Description of work</u>	<u>Cost in Crores</u>
1.	Cuddalore	Dredging and rehabilitating the port facilities damaged by Tsunami	Rs.14.410
2.	Nagapattinam	Dredging and rehabilitating the port facilities damaged by Tsunami	<u>Rs.42.521</u>
		Total	<u>Rs.56.931</u>

UNDER ASIDE FUND:

A sum of Rs.240.00 lakhs has been sanctioned vide TIDCO letter No.D/To-E /ASIDE / TNMB / 2006-2, dated.16.01.2006 for execution of following civil works with the ASIDE assistance at the port of Nagapattinam.

Sl. No	Description of work	cost (Rs. in lakhs)
1.	Rehabilitating the damaged perimeter wall on the northern side of Nagapattinam port complex	99.99
2.	Rehabilitating the damaged perimeter wall on the southern side of Nagapattinam port complex	99.90
3.	Demarcation of boundary and shifting of Electricity posts at Nagapattinam port.	0.14
	Total	200.03

The estimates for the works to be executed with the balance amount of Rs.39.97 lakhs are under preparation.

XIV. PARTICULARS OF RECIPIENTS OF LICENCES GRANTED BY TAMIL NADU MARITIME BOARD.

Licences in Form-26, and 32 have been issued by Tamil Nadu Maritime Board to various companies for using the port land at the minor ports in Tamil Nadu and for construction of marine structure at the ports. The details are as follows:.
