National Cadet Corps

The National Cadet Corps (NCC) stands as a premier youth organization at the national level, encompassing the tri-service establishments of the Army, Navy, and Air Force. The NCC aims to train school and college cadets across Tamil Nadu, in various military disciplines such as weapon training, firing, drill, march past, map reading, battle craft and field craft. The NCC was established by an Act of Parliament, "The National Cadet Corps Act 1948" (Act No. XXXI of 1948), and was officially launched on July 15, 1948. Initially, the NCC began in the erstwhile Madras State with three college-level units. In 1949, NCC training was expanded to include boys at the school level, incorporating 10 institutions. By 1954, NCC training for girls was introduced at both college and school levels.

The NCC curriculum is designed to instill leadership qualities, character building, patriotism, unity, and selfless service in school and college students. All NCC cadets are taught to lead a responsible and disciplined life, fostering a spirit of patriotism. The NCC also provides an environment conducive to achieving higher life goals, enhancing career prospects, and developing future leaders of India.

The Tamil Nadu Government not only fosters the growth and development of NCC cadets but also ensures they are well-prepared for future leadership roles. The emphasis on incentives, scholarships, employment benefits, regional expansion, substantial budget allocations, and the provision of essential training equipment reflects a comprehensive approach to supporting and enhancing the capabilities of NCC cadets. This holistic support system aims to produce disciplined, skilled, and patriotic individuals who can contribute significantly to society and the Nation.

Motto of NCC

The motto of the NCC is "Unity and Discipline." Cadets from diverse backgrounds are trained to work together in a rule-based life as a team, fostering harmony and national integration.

Aims of NCC

The three aims of NCC enunciated in NCC Charter are:

- i. To develop character, comradeship, discipline, leadership, secular outlook, spirit of adventure and the ideals of selfless service amongst the youth of the country.
- ii. To create a human resource of organized, trained and motivated youth, to provide leadership in all walks of life and always be available for the service of the nation.
- iii. To provide a suitable environment to motivate the youth to take up a career in the Armed Forces

Administration

The NCC Organization in India is headed by a Lieutenant General rank Military Officer serving as the Director General of NCC, with headquarters in New Delhi. India is divided into 17 Directorates, each representing a geographical region, including States and Union Territories. The NCC Directorate for Tamil Nadu, Puducherry, and Andaman Nicobar (TN, P & AN) is headed by a Deputy Director General (DDG) holding the rank of Commodore. In Tamil Nadu, there are five NCC Group Headquarters: two in Chennai (Group HQs Chennai 'A' and Chennai 'B'), and one each in Coimbatore, Madurai, and Tiruchirappalli. These Group Headquarters are commanded by officers of Colonel rank, and the 51 NCC units are led by officers of Colonel or Lieutenant Colonel rank.

Government of Tamil Nadu is providing the following incentives and scholarship :-

Incentives

To motivate NCC cadets and enhance their performance at National-level camps, the annual incentive for NCC cadets has been significantly increased from Rs.5,80,400/- to Rs.13,47,250/-. This boost in incentives reflects the Government's commitment to recognizing and rewarding the hard work and dedication of NCC cadets.

Scholarship

The Tamil Nadu Government provides substantial scholarship support to deserving NCC cadets. A total of Rs.18,00,000/- is allocated annually to 200 Senior Division/Wing cadets @Rs.5000/- per cadet and 400 Junior Division/Wing cadets @Rs.2000/- per cadet in a year. These scholarships aim to assist cadets in their educational pursuits and encourage continued excellence in their NCC activities.

Employment Benefits

The Tamil Nadu Government offer significant employment benefits to NCC certificate holders to enhance their career prospects:

NCC 'A', 'B', and 'C' certificate holders receive bonus marks of ½, 1 and 2 respectively, in Tamil Nadu Uniformed Services Recruitment Board examinations.

In oral tests for B.T. and P.G. Assistants recruitment, ½ mark out of 12 is allocated for candidates' NCC activities. This Policy not only incentivizes participation in NCC but also provides tangible career advantages.
